Welcome Home!

Situated in a quiet cul-de-sac, this fabulous Five Park home offers 5 bedrooms, 4 bathrooms and over 4200 square feet of living area! Surrounded by professional landscaping, the Trex floored front porch beckons for an easy chair and a cool drink! Glistening hardwoods welcome you into the foyer where you'll be amazed at soaring ceilings with clerestory windows, designer paint and plantation shutters galore! You'll love entertaining family and friends in the chef's delight kitchen featuring a huge island with barstool accommodations, large breakfast area, stainless steel appliances and an abundance of gorgeous cherry cabinets! Your spacious master suite is highlighted with a beautiful bathroom with huge walk-in closet, oversize shower and soaking tub! The open loft overlooks the family room and the professionally finished basement boasts a guest bedroom, bathroom and additional family area! Backyard privacy is enhanced with mature trees and lush landscaping for weekend BBQ's and evening stargazing! And your vehicles, toys and tools will appreciate the 3 car tandem garage! Nearby shopping, dining, schools and the Village of Five Parks Pool and Depot provide necessities, amenities, family fun and activities!
